## Subject index

### A

- Advisory Committee on Preventive Dentistry, 638
- Age and sex differences in dentofacial changes following orthodontic treatment, 355
  - skeletal, and dental development, cross-sectional study, 790 (Abst.)
- Agnathia associated with pharyngeal isthmus atresia and hydramnios, 928 (Abst.)
- Albers-Schönberg disease; skeletal disturbances, 914
- Alveolar bone response to molar extrusion induced by removal of antagonists in rat, 547 (Abst.)
- American Association of Orthodontists, 539, 618, 700
  - 1961 annual meeting, 152, 234
    - committees for, 313
    - Golden Anniversary Luncheon, 539
    - information for A. A. O. skiers, 152
    - orthodontists visit United States Air Force Academy, 623
    - president's banquet, 539
    - registration of guests, 65, 153, 234
    - report of Reference Committee on President's Address, 466
    - scientific program, 58
  - 1962 annual meeting, 557, 634, 796, 797, 876, 933
    - committees for, 550
- Central Section, 67, 712
  - to have new name, 557
- committees, 313, 550
- disability income insurance plan, 67
- meeting in Denver, 462 (Editorial)
- membership requirements; preceptorships, 343
- new central office, 71, 395
- panel discussion of essays presented at scientific session, 758
- Philadelphia ad interim meeting of Board of Directors, 926 (Editorial)
- president's address, 321
  - page, 545, 626, 700
- 1961 prize essay contest, 65, 154
- 1962 prize essay contest, 709, 796, 875, 932
- 1961 research meeting, 66, 154
- 1962 research meeting, 709, 795, 875, 932
- what is new in orthodontics at Denver, 146 (Editorial)

- American Board of Orthodontics, 782 (Editorial); 67, 155, 476, 634, 711, 795, 877, 937
  - annual meeting, 543
- American Dental Association, 71, 156, 237, 716, 798, 939
  - holds hospital seminar, 716
  - specialties in, 534
  - specialty boards, and other problems, 49 (Editorial)
  - urges science fair participation, 938
- AMERICAN JOURNAL OF ORTHODONTICS; new look, 628 (Editorial)
- American orthodontists to participate in European congress, 478
- Anatomy, oral, 393 (B. rev.)
- Ankyloglossia, diagnosis and management, 423
- Appliance(s) therapy, relegation to proper place in orthodontic service, 1
  - orthodontic; variation of Class II, Division 1 technique, 327
- Arch length; removing our limitations, 902
  - wire, light, technique, 30
- Army dental chief elected to fellowship in Royal Society of Medicine, 639
- Art, dentist in, 470 (B. rev.)
- Association of American Women Dentists, 479
- Asymmetries, dentofacial, and their clinical significance, 814
  - of dental arches, jaws, and skull, and their etiological significance, 81
- Atresia, pharyngeal isthmus, and hydramnios, agnathia associated with, 928 (Abst.)
- Australian Orthodontic Congress, first, 477
- Australian Society of Orthodontists, 397

### B

- Bacteriology for students of dental surgery, 471 (B. rev.)
- Basal and dental arch measurements and relationships, 230 (Abst.)
- Baylor University College of Dentistry, graduate orthodontics, 639
- Begg technique, variations, 286
- Bernier, Major General Joseph L., elected to fellowship in Royal Society of Medicine, 639
  - to give Herman L. Reiss memorial lecture, 941

January, pp. 1-80; February, pp. 81-160; March, pp. 161-240; April, pp. 241-320; May, pp. 321-400; June, pp. 401-480; July, pp. 481-560; August, pp. 561-640; September, pp. 641-722; October, pp. 723-802; November, pp. 803-880; December, pp. 881-956.

- Biologic studies on osseous system, recent developments, 830  
 systems, calcification in, 391 (B. rev.)  
 Biology, experimental, principles of cephalofacial development revealed by, 881  
 orthodontics, and modification of man, 924 (Editorial)  
 Bone, observations of pressure phenomena on, in vivo, 150 (Abst.)  
 x-ray effect on; effect of ionizing irradiation on developing maxilla and mandible, 646  
 Bottle feeding and abnormal swallowing; malfunction of tongue, 602  
 Buccal expansion; removing our limitations, 908  
 Buccofacial tissue dynamics as related to tooth alignment, 233 (Abst.)

C

- Calcification in biological systems, 391 (B. rev.)  
 Canadian Dental Association, Orthodontic Section, 396  
 Central Section of American Association of Orthodontists, 67, 712  
 to have new name, 557  
 Cephalofacial development, principles of, revealed by experimental biology, 881  
 Cephalometric roentgenographic patterns associated with malocclusion: sex and age differences, 150 (Abst.)  
 tracing, positive translucency substitute for, and medium for dynamic serial evaluation, 273  
 Cephalometrics is work in progress, 629 (Editorial)  
 Cervical gear, Kloehe type; removing our limitations, 907  
 Changes in deciduous dentition, spontaneous, serial models illustrating, 788 (Abst.)  
 dentofacial, following orthodontic treatment, age and sex differences, 355  
 perioral profile, in orthodontic treatment, 371  
 Cheek and lip musculature in relation to skeletal structure and denture, 231 (Abst.)  
 Cinematography, physiographic, behavior of soft-tissue components of face as revealed by, 232 (Abst.)  
 Civilization and malocclusion, 406  
 Class II, Division 1 technique, variation of, 327  
 Cleft palate children, operated, roentgenographic appraisal of growth and function of orofacial structures, 149 (Abst.)  
 congenital, habilitation of patient with, 124  
 problem, team approach, 171  
 Cleidocranial dysostosis; skeletal disturbances, 914  
 Colorado, history of dentistry in, 1859-1959, 310 (B. rev.)

- Columbia University, 239, 720  
 Condylar growth center response to orthodontic therapy, 869 (Abst.)  
 Coronoid process, relation of temporal muscle to form of, 790 (Abst.)  
 Craniofacial dysostosis, patent ductus arteriosus, hypertrichosis, hypoplasia of labia majora, dental and eye anomalies—new syndrome? 382 (Abst.)  
 Craniology, functional approach, 928 (Abst.)  
 Craniometry; roentgenostatics, 561

D

- Deciduous dentition, serial models illustrating spontaneous changes, 788 (Abst.)  
 Deglutition and phonation abnormalities in children, 871 (Abst.)  
 Dental arches, jaws, and skull, some asymmetries of, and their etiological significance, 81  
 and basal arch measurements and relationships, 230 (Abst.)  
 development and skeletal age, cross-sectional study, 790 (Abst.)  
 interrelations in, 705 (Abst.)  
 educator views orthodontic education, 164  
 and eye anomalies, craniofacial dysostosis, patent ductus arteriosus, hypertrichosis, and hypoplasia of labia majora—new syndrome? 382 (Abst.)  
 hygienist bill to be amended by California Legislature, 308 (Editorial)  
 laboratories to raise funds for dental education, 558  
 materials, restorative, 469 (B. rev.)  
 mission to Russia, tentative schedule, 478  
 research center dedicated, 559  
 Dentist in art, 470 (B. rev.)  
 Dentistry in Colorado, 1859-1959, 310 (B. rev.)  
 Dentition, deciduous, serial models illustrating spontaneous changes, 788 (Abst.)  
 Dentofacial asymmetries and their clinical significance, 814  
 changes following orthodontic treatment, age and sex differences, 355  
 orthopedics, neuro-psychiatric approach, 872 (Abst.)  
 Dento-maxillary disproportion, diagnosis, 869 (Abst.)  
 Denture and skeletal patterns, changes during and following serial extraction, 230 (Abst.)  
 structure, lip and cheek musculature in relation to, 231 (Abst.)  
 Denver Summer Meeting for the Advancement of Orthodontic Practice and Research, Inc., 317, 397, 476  
 Department of Health, Education, and Welfare, 158  
 Dewel, B. F., gives course in Madrid, 940  
 Diagnosis and treatment analysis, electromyography as aid in, 481  
 planning of cases presenting problems due to missing teeth, 844

## 952 *Subject index*

Differential force principle; light arch wire technique, 30  
 Disability income insurance plan, 67  
 Displacements; dentofacial asymmetries and their clinical significance, 814  
 Disproportion, dento-maxillary, diagnosis, 869 (Abst.)  
 Distal movement; nonextraction treatment in growing patients, 737  
   to gain space; removing our limitations, 907  
   tipping of buccal teeth to gain arch length; removing our limitations, 903  
 District of Columbia Dental Society, 158  
 Duckworth, T. G., death of, 158

### E

Education, orthodontic, dental educator views, 164  
 Einstein, Albert, Medical Center, 74  
 Electromyography as aid in diagnosis and treatment analysis, 481  
   uses and limitations in quantitative study of skeletal muscle function, 521  
 Embryology, oral histology and, Noyes', 470 (Abst.)  
 Endocrine and nutritional disturbances; skeletal disturbances, 912  
   regulation; recent developments in biologic studies on osseous system, 835  
 Ethnic groups living in Israel, malocclusion in different, 858  
 European cleft palate authority to lecture in United States, 319, 398  
 European Orthodontic Society, thirty-seventh congress, American orthodontists to participate, 478  
 Evolution, erratic, of orthodontics, 116  
 Extraction(s), early second permanent molar, in orthodontics, 706 (Abst.)  
   second molar, and replacement by third molars; second and third molars—role in orthodontic therapy, 498  
   serial, changes in denture and skeletal patterns during and following, 230 (Abst.)  
   techniques, easy; removing our limitations, 906

### F

Face depth, growth in, during childhood, longitudinal study, 632 (Abst.)  
   soft-tissue components, behavior as revealed by physiographic cinematography, 232 (Abst.)  
 Facial components, vertical, in males with Class II, Division 1 malocclusions, 231 (Abst.)  
   profile, inter- and intra-family variations, 471 (Abst.)  
 Fairbank, Leigh C., addresses Walter Reed graduates, 559  
 Federal aid for dental students and schools urged by President, 318  
 Fluoridation, water, new study reported, 399  
 Flying Dentists Association, 558

Force(s), differential, principle; light arch wire technique, 30  
   minute, routine use, 707 (Abst.)  
 Forrest, E. J., named dean of University of Pittsburgh School of Dentistry, 478

### G

Genioglossotomy; diagnosis and management of ankyloglossia, 425  
 Gnathometry; roentgenostatics, 570  
 Golden Anniversary Luncheon, 1961 annual meeting of American Association of Orthodontists, 539  
 Great Lakes Society of Orthodontists, 236, 396, 635, 712, 799, 877  
   president's address, 641  
 Grieg, ocular hypertelorism of, 205  
 Growing patients, nonextraction treatment in, with emphasis on distal movement, 737  
 Growth centers, cephalofacial; principles of cephalofacial development revealed by experimental biology, 891  
   in face depth during childhood, longitudinal study, 632 (Abst.)  
   of nose, cephalometric study, 703 (Abst.)  
   symposium, 52

### H

Habilitation of congenital cleft palate patient, 124  
 Hand-mouth contacting, effect on neonatal movement, 792 (Abst.)  
 Hand-wrist centers, number of, 793 (Abst.)  
 Hawaiian orthodontic meeting, 936  
 Headfilms, value of; removing our limitations, 904  
 Hellman, Milo, 1962 prize essay contest, 709, 796, 875, 932  
 Hillyer, Norman L.; orthodontist heads New York Academy of Dentistry, 399  
 Histology and embryology, oral, Noyes', 470 (B. rev.)  
 History of dentistry in Colorado, 1859-1959, 310 (B. rev.)  
 Hydramnios, agnathia associated with pharyngeal isthmus atresia and, 928 (Abst.)  
 Hypertelorism, ocular, of Grieg, 205  
 Hypnosis; effectiveness of posthypnotic suggestion upon control of tongue-thrusting habit in relation to trance depth, 228 (Abst.)  
 Hypothyroid patients, qualitative evaluation of root length, 586

### I

In memoriam, H. B. Bolt, 222  
   Thomas Gunter Duckworth, 223  
   William Daniel Lee, 380  
   William P. McGovern, 867  
   Brewer E. Phillips, 702  
   Raymond L. Webster, 225  
   Bernhard Wolf Weinberger, 226  
   Henry Fred Westhoff, 380  
   Ray Woodworth, 867

- Insurance, disability income, plan, 67  
 International Conference on Oral Surgery, first, 717, 800  
 International Dental Congress, 318, 398  
 International Orthodontic Society for Research, 236  
 Interrelations in dental development, 705 (Abst.)  
 Irradiation, ionizing, effect on developing maxilla and mandible, 646  
 Israel, malocclusion in different ethnic groups living in, 858

J

- Jaws, dental arches, and skull, some asymmetries of, and their etiological significance, 81  
 and teeth of primates, 469 (B. rev.)  
 Joint Council to Improve Health Care of Aged, 238  
 Journees Dentaires Internationales de Paris, American orthodontist participates in meeting, 75

K

- Ketcham, Albert H., Memorial Award for 1962, 476  
 presentation to William B. Downs by Wendell L. Wylie, president of American Board of Orthodontics, 618  
 response by William B. Downs, 619

L

- Lancaster Cleft Palate Clinic, 638, 720  
 Lenox Hill Hospital, 319, 721  
 Dr. Reitan to give seminar, 75  
 Letterer-Siwe type of reticuloendotheliosis, 916  
 Light arch wire technique, 30  
 Limitations, removing our, 902  
 Lip and cheek musculature in relation to skeletal structure and denture, 231 (Abst.)  
 Loughlin, Francis J., participates in meeting of Journees Dentaires Internationales de Paris, 75  
 Loyola University, 478

M

- Malfunction of tongue, 596  
 Malocclusion(s), cephalometric roentgenographic patterns associated with: sex and age differences, 150 (Abst.)  
 and civilization, 406  
 Class I and Class II, functional variations in temporomandibular joint, 548 (Abst.)  
 Class II, Division 1, correlations of some vertical facial components in males possessing, 231 (Abst.)  
 type, untreated, 148 (Abst.)  
 in different ethnic groups living in Israel, 858

Malocclusion(s)—Cont'd

- oral habits, and socio-economic level of preschool children, correlation between, 789 (Abst.)  
 research and, 661  
 Mandible and maxilla, developing, effect of ionizing irradiation, 646  
 Mandibular movement and posture, neuromuscular mechanisms involved in, 330  
 Maxilla and mandible, developing, effect of ionizing irradiation, 646  
 Maxillary first permanent molar, rotated, problem of, 246  
 Mesiodistal crown diameters in deciduous and permanent lateral teeth, relationship between, 705 (Abst.)  
 Metabolism of oral tissues, 57 (B. rev.)  
 Miami Orthodontic Foundation announces first annual orthodontic seminar, 74  
 Middle Atlantic Society of Orthodontists, 635, 713, 937  
 Mineralized tissues, recent advances in study of structure, composition, and growth of, 390 (B. rev.)  
 Minute forces, routine use, 707 (Abst.)  
 Molar(s) extrusion induced by removal of antagonists in rat, alveolar bone response, 547 (Abst.)  
 maxillary first permanent, rotated, problem of, 246  
 second and third: role in orthodontic therapy, 498  
 permanent, early extraction in orthodontics, 706 (Abst.)  
 Movement, distal; nonextraction treatment in growing patients, 737  
 neonatal, effect of hand-mouth contacting, 792 (Abst.)  
 Muscle retraining; neuromuscular mechanisms involved in mandibular movement and posture, 330  
 skeletal, function, uses and limitations of electromyography in quantitative study, 521  
 temporal, relation to form of coronoid process, 790 (Abst.)  
 Musculature, lip and cheek, in relation to skeletal structure and denture, 231 (Abst.)

N

- National Children's Dental Health Week, 716  
 National Institute of Dental Research; new dental research center dedicated, 559  
 Neonatal movement, effect of hand-mouth contacting, 792 (Abst.)  
 Neuromuscular mechanisms involved in mandibular movement and posture, 330  
 Neuro-psychiatric approach to dentofacial orthopedics, 872 (Abst.)  
 New York Academy of Dentistry, orthodontist heads, 399  
 News and notes, 58, 152, 234, 313, 395, 476, 550, 634, 709, 795, 875, 932

## 954 *Subject index*

- Nonextraction treatment in growing patients, with emphasis on distal movement, 737
- Northeastern Society of Orthodontists, 70, 155, 396, 557, 637, 713, 799  
president's address, 401, 803
- Nose, growth of, cephalometric study, 703 (Abst.)
- Notes of interest, 75, 159, 239, 319, 399, 479, 559, 639, 721, 878, 943
- Noyes, Frederick B., death of, 639
- Noyes' oral histology and embryology, with laboratory directions, 470 (B. rev.)
- Nutrition; recent developments in biologic studies on osseous system, 833
- Nutritional and endocrine disturbances; skeletal disturbances, 912

### O

- Occlusion and periodontal status, relationship between, 690  
in primitive man; malocclusion and civilization, 410
- Ocular hypertelorism of Grieg, 205
- Officers of orthodontic societies, 76, 160, 240, 320, 400, 480, 560, 640, 722, 802, 880, 944
- Oral anatomy, 393 (B. rev.)  
habits, malocclusion, and socio-economic level of preschool children, correlation between, 789 (Abst.)  
histology and embryology, Noyes', 470 (B. rev.)  
tissues, metabolism of, 57 (B. rev.)
- Orofacial structures of operated cleft palate children, roentgenographic appraisal of growth and function of, 149 (Abst.)
- Orthodontic education, dental educator views, 164  
notes, 393 (B. rev.)  
patients, swallowing patterns compared with those of normal-population sample, 674  
positioner treatment during orthopedic treatment of scoliosis, 174
- Section of Canadian Dental Association, 396
- services, extent of need for, 148 (Abst.)  
relegating appliance therapy to proper place in, 1
- societies of world and their principal officers, 77
- therapeutic folly, 220 (Editorial)
- therapy, response of condylar growth center, 869 (Abst.)  
role of second and third molars, 498
- treatment, age and sex differences in dento-facial changes following, 355
- perioral profile changes in, 371
- significance of skeletal disturbances in, 912

### Orthodontic—Cont'd

- and speech therapy, abnormal swallowing in relation to; malfunction of tongue, 596
- stability, 229 (Abst.)
- transformation of temporomandibular joint during, 151 (Abst.)
- Orthodontic-surgical team, prognathism questions, 531
- Orthodontics, biology, and modification of man, 924 (Editorial)
- courses sponsored by universities, 801, 878, 942
- early second permanent molar extractions, 706 (Abst.)
- erratic evolution of, 116
- European and American, basic approaches, 786 (Editorial)
- in general dental practice, 393 (B. rev.)
- practical, 392 (B. rev.)
- practice administration, 107
- as public health service, 809
- Orthodontist(s), practicing, research and, 429
- visit United States Air Force Academy, 623
- Orthopedic treatment of scoliosis, orthodontic positioner treatment during, 174
- Orthopedics, dento-facial, neuro-psychiatric approach, 872 (Abst.)
- Osseous system, recent developments in biologic studies on, 830
- Ossification centers; number of hand-wrist centers, 793 (Abst.)
- Osteogenesis imperfecta; skeletal disturbances, 914
- Osteopetrosis; skeletal disturbances, 914

### P

- Pacific Coast Society of Orthodontists, 316, 396, 476, 635, 714  
elects new officers, 714  
president's address, 723
- Panel discussion of essays presented at scientific session of American Association of Orthodontists, 758
- Patients, radiological hazards to, 874 (Abst.)
- Patton, Charles H., to be honored by Philadelphia County Dental Society, 157
- Periodontal status and occlusion, relationship between, 690
- Perioral profile changes in orthodontic treatment, 371
- Peterson, Shailer, appointed dean of University of Tennessee College of Dentistry, 399
- Pharyngeal wall, tongue, and soft palate movement, 439
- Philadelphia ad interim meeting of Board of Directors of American Association of Orthodontists, 926 (Editorial)
- Philadelphia County Dental Society to honor Dr. Patton, 157
- Phillips, Brewer E., death of, 639
- Phonation abnormalities and deglutition in children, 871 (Abst.)
- Physiographic cinematography, behavior of soft-tissue components of face as revealed by, 232 (Abst.)

Positioner, orthodontic, treatment during orthopedic treatment of scoliosis, 174

Positive translucency: substitute for cephalometric tracing and medium for dynamic serial evaluation, 273

Practical orthodontics, 392 (B. rev.)

Practice administration in orthodontics, 107

Preceptorships, 343

President's address, American Association of Orthodontists, 321

    Great Lakes Society of Orthodontists, 641

    Northeastern Society of Orthodontists, 401, 803

    Pacific Coast Society of Orthodontists, 723

    Southern Society of Orthodontists, 241

    Southwestern Society of Orthodontists, 161

    banquet, 1961 annual meeting of American Association of Orthodontists, 539 page, 545, 626, 700

Pressure phenomena, observations on bone in vivo, 150 (Abst.)

Primates, teeth and jaws of, 469 (B. rev.)

Prize essay contest, 1961, American Association of Orthodontists, 65, 154

    1962, American Association of Orthodontists, 709, 796, 875, 932

Profile, facial, inter- and intra-family variations, 471 (Abst.)

    perioral, changes in orthodontic treatment, 371

Prognathism questions in surgical-orthodontic team, 531

Protect yourself and your interests, 780 (Editorial)

Public health service, orthodontics as, 809

Puerto Rico Orthodontists Association, 238

## R

Radiological hazards to patients, 874 (Abst.)

Ramus height, growth study, 228 (Abst.)

Reiss, Herman L., memorial lecture, 941

Reitan, Kaare, to give seminar at Lenox Hill Hospital, 75

Report(s), 52, 466

    of Reference Committee on President's Address, fifty-seventh annual meeting, American Association of Orthodontists, 466

    on symposium on growth, 52

Research and malocclusion, 661

    meeting, 1961, American Association of Orthodontists, 66, 154

    1962, American Association of Orthodontists, 709, 795, 875, 932

    and practicing orthodontist, 429

    Workshop on Roentgenographic Cephalometrics, transactions ready, 794

Restorative dental materials, 469 (B. rev.)

Reticuloendotheliosis, Letterer-Siwe type, 916

Roentgenographic Cephalometric Workshop transactions now available, 865 (Editorial)

Roentgenostatics, 561

Root length in hypothyroid patients, qualitative roentgenographic evaluation, 586

Rotated maxillary first permanent molar, problem of, 246

Royal Society of Medicine, Major General Joseph L. Bernier elected to fellowship, 639

## S

Science fair participation urged by American Dental Association, 938

Scoliosis, orthopedic treatment of, orthodontic positioner treatment during, 174

Serial evaluation, dynamic, positive translucency medium for, and substitute for cephalometric tracing, 273

Sex and age differences in dentofacial changes following orthodontic treatment, 355

Skeletal age and dental development, cross-sectional study, 790 (Abst.)

    and denture patterns, changes during and following serial extraction, 230 (Abst.)

    development; principles of cephalofacial development revealed by experimental biology, 881

    disturbances, 912

    muscle function, uses and limitations of electromyography in quantitative study, 521

    structure and denture, lip and cheek musculature in relation to, 231 (Abst.)

Skull, dental arches, and jaws, some asymmetries of, and their etiological significance, 81

Socio-economic level, malocclusion, and oral habits in preschool children, correlation between, 789 (Abst.)

Soft palate, tongue, and pharyngeal wall movement, 439

Southern Society of Orthodontists, 637, 715, 800

    president's address, 241

Southwestern Society of Orthodontists, 558, 637, 715, 801

    president's address, 161

Spanish Society of Orthodontists (SEDO), 74, 717, 940

Specialization; A. D. A., specialty boards, and other problems, 49 (Editorial)

Specialties in American Dental Association, 534

Speech therapy, abnormal swallowing in relation to orthodontic treatment and; malfunction of tongue, 596

## 956 *Subject index*

### Speech therapy—Cont'd

- for correction of perverted swallowing; swallowing patterns of normal-population sample compared to those of patients from orthodontic practice, 684
- one approach to deviate swallowing, 726
- Stability of orthodontic treatment, 229 (Abst.)
- Steiner, Cecil C., made honorary member of Argentinian society, 318
- Stellmach, Rudolf K., European cleft palate authority to lecture in United States, 319, 398
- Surgical-orthodontic team, prognathism questions, 531
- Swallowing, deviate, one approach to, 726
- habit, abnormal; malfunction of tongue, 596
- patterns of normal-population sample compared to those of patients from orthodontic practice, 674
- Symposium on growth, 52

### T

- Teeth, deciduous and permanent lateral, relationship between mesiodistal crown diameters, 705 (Abst.)
- and jaws of primates, 469 (B. rev.)
- missing, diagnosis and treatment planning of cases presenting problems due to, 844
- Temporal muscle, relation to form of coronoid process, 790 (Abst.)
- Temporomandibular joint(s), functional variations in Class I and Class II malocclusions, 548 (Abst.)
- in normal occlusion group, radiographic study, 549 (Abst.)
- transformation during orthodontic treatment, 151 (Abst.)
- Tongue, malfunction, 596
- soft palate, and pharyngeal wall movement, 439
- training; diagnosis and management of ankyloglossia, 424
- Tongue-thrust; swallowing patterns of normal-population sample compared to those of patients from orthodontic practice, 674
- habit, effectiveness of posthypnotic suggestion upon control of, in relation to trance depth, 228 (Abst.)
- Tooth alignment, buccofacial tissue dynamics as related to, 233 (Abst.)
- Translucency, positive: substitute for cephalometric tracing and medium for dynamic serial evaluation, 273
- Treatment analysis and diagnosis, electromyography as aid in, 481
- early; removing our limitations, 904
- nonextraction, in growing patients, with emphasis on distal movement, 737

### Treatment—Cont'd

- planning and diagnosis of cases presenting problems due to missing teeth, 844

### U

- United States Public Health Service Commissioned Corps, announcement of Regular Corps examination for dental officers, 941
- University of Kansas City, 720
- first orthodontic seminar, 73
- University of North Carolina School of Dentistry announces teacher training in orthodontics and pedodontics, 157
- University of Pittsburgh School of Dentistry, 478
- University of Tennessee College of Dentistry, Shailer Peterson appointed Dean, 399

### W

- Wahl, Leonard P., death of, 319
- Washington University, 478, 720
- Water fluoridation, new study reported, 399
- West Coast groups hold joint breakfast meeting, 477
- Western Society of Periodontology, 74
- Westhoff, Henry, death of, 239
- Wuthier, Roy E., reports new water fluoridation study, 399

### X

- X-ray effect on bone; effect of ionizing irradiation on developing maxilla and mandible, 646
- headplate, practical evaluation; roentgenostatics, 561

### Editorials

- The A. A. O. Meeting in Denver, 462
- The American Board of Orthodontics, 782
- The A. D. A., the Specialty Boards, and Other Problems, 49
- Basic Approaches in European and American Orthodontics, 786
- Cephalometrics Is Work in Progress, 629
- The New Look, 628
- Orthodontic Therapeutic Folly, 220
- The Philadelphia Ad Interim Meeting of the Board of Directors of the American Association of Orthodontists, 926
- Protection, 780
- Roentgenographic Cephalometric Workshop Transactions Now Available, 865
